

# BUSINESS SIMPLE

Making Your Business Better.

Keep it SIMPLE with Business Simple

Northland's Business Simple Bundle offers a complete business phone and Internet solution for small to medium-sized businesses. It offers unlimited domestic calling and a range of Internet bandwidth speeds to match the pace of your business. To better serve our local business customers, we are offering bandwidth upgrades to our Business Simple customers at no additional cost.

Features include:

- + Unlimited Local Calling
- + Unlimited Domestic Long Distance
- + A Static IP Address
- + Calling Line ID
- + Designed for Small Businesses
- + Locally Maintained

Current Download/Upload:

- + 25/25 Mbps
- + 50/50 Mbps
- + 75/75 Mbps

New Download/Upload:

- + 75/25 Mbps
- + 100/50 Mbps
- + 150/75 Mbps

Ask us about increasing speeds and/or phone lines beyond standard options.  
Taxes and E911 charges excluded

Northland Communications Fiber Network is now available in many areas throughout the Mohawk Valley and Central New York. Call now for availability and a free quote: 315.624.2216.

## MAKING THE SWITCH IS SIMPLE.
