

# BUSINESS SIMPLE

## Making Your Business Better.

Northland's Business Simple Bundle is the ultimate phone and Internet solution for small to medium-sized businesses in Central New York. Unlike other consumer-grade Internet options, our carrier-grade bandwidth is dedicated to your business. Dedicated fiber Internet is the industry standard for delivering the fastest and most reliable connections possible and we offer a range of bandwidth speeds to match the pace of your business.

**+ 100/25M**

**+ 250/50M**

**+ 500/75M**

Power your business communications with advanced features, like:
