MaX Webinar

Powered by our Business Unlimited unified communications solution, Northland is excited to bring you MaX Webinar! This feature-rich, web-based platform brings everything you need to host a successful webinar event into one, easy-to-use interface.

CREATE & PROMOTE
Schedule, brand, and promote your webinar. Send email invites/reminders, track registrations, and more!

AUDIENCE ENGAGEMENT
Make your virtual events interactive with webinar's poll, screen share, raise hand, chat, and Q&A features.

EVENT MANAGEMENT
The webinar host has full control of audio, video, and presentation settings for panelists and participants.

DATA & REPORTING
Export participant questions, poll results, and attendee reports to measure engagement and identify opportunities.
