

Modern Faxing

with Northland's CloudFax Solution

Online Faxing, Reinvented.

Send and receive faxes from anywhere, anytime, using your computer, tablet, or smartphone. No more fax machines or complex setups. Port your existing fax number to Northland and customize user access for maximum flexibility.

Key Benefits

- 1 Mobility:** Send and receive faxes from anywhere with internet access - desktop, laptop, or mobile device.
- 2 Cost-Effective:** Eliminate fax machine expenses like toner, paper, and maintenance.
- 3 Scalability:** Easily adjust your plan as your faxing needs change (up or down) - no long-term contracts.
- 4 Security:** HIPAA compliant and meets all regulations for secure document transmission.

Start Faxing Today.
